16	Postpaid	VNet (Internet)	E-SIM	-	-	-	-	-	-	BLOCKED - VNet not available on E-SIM	

* Prepaid Mobile has no contact-number field today -> OTP requirement to be confirmed. Vanity tiers: Diamond / Gold / Silver / Bronze (fee) vs Standard (free).

Rules & Pricing

Verification rules

OTP	Required whenever a contact number is captured
VNet (Postpaid Internet)	Nafith (NOT Manafath, NOT Nafath)
Switch Postpaid - Vanity commitment	Sign Promissory Note via Nafith
Other paths	Customer verification: Nafath / Fingerprint / Absher

SIM type

	P-SIM	E-SIM
SIM fee	10 SAR	0 SAR
Extra step	KIT code (10 digits, validated)	Compatible-devices info
Restriction	-	VNet not available on E-SIM

Whitelisted customer (Postpaid only - ignored on Prepaid)

C1 Whitelisted + Standard number	Total 0 (everything waived)
C2 Whitelisted + VIP/Vanity number	VIP number fee + 15% VAT only
C3 Not whitelisted (postpaid)	Deposit = plan price + one-time fees + VAT (clears first bill)
Prepaid (any)	Plan price + SIM + number + VAT

Switch Postpaid - Vanity Number categories (Req 1)

Category	Tier	Commitment	Eligible plans
Exotics	Diamond	24 months	Postpaid 250 / 300 / 365
Legendary	Gold	18 months	Postpaid 180 / 200 / 250 / 300 / 365
Rare	Silver	12 months	All postpaid
Value	Bronze	6 months	All postpaid
Standard	Standard	None	All postpaid (always free)

Open Questions - need client confirmation

#	Question	Client answer
1	Prepaid Mobile has no contact number today - should it still require OTP?	
2	Confirm VNet is P-SIM only (not offered on E-SIM).	
3	Does VAT apply on top of the postpaid deposit, or is it plan-price only?	
4	Monthly price for each plan: Postpaid 180 / 200 / 250 / 300 / 365.	
5	Vanity price per category when commitment is OFF (Exotics / Legendary / Rare / Value).	
6	Any early-cancellation penalty for a committed vanity number?	
7	Where does the dealer 'in-store handover' whitelist come from (profile / API)?	
8	Is a router serial captured at in-store handover?	
9	Confirm VNet verification is Nafith (different from Nafath / Manafath).
